Violence against Women and Children is REAL!

Currently there are registered places of Safety in South Africa. That cater for the needs of women and their children who are survivors of abuse.

This is why St. Anne's Homes has been in existence since 1904 to help women escape the abuse, take time to heal and restore their lives.

DID YOU KNOW...in SA in the last quarter (April – June 2022)

- 855 women and 243 children were murdered (Increase of 53.2% and 46.4%, respectively);
- 11 734 cases of assault with grievous bodily harm were reported against women, and 1 670 cases against children (Increase of 54.7% and 58.4%, respectively);
- 282 reported cases of attempted murder against women and 61 cases against children (Increase of 31.4% and 27.5%, respectively)

THESE ARE ONLY THE REPORTED CASES!
